PETITION TO LIQUIDATE SILVER HOLDINGS

Counsel for the Receiver, Beattie B. Ashmore, appointed by this Court pursuant to a July 25, 2012 Order (“Court Order”) petitions the Court to liquidate those silver holdings previously seized by the United States Secret Service and now under his control. In accordance with paragraph 3 of the Court Order, the Receiver believes that liquidation of the silver holdings at this time is the best course of action to maximize its value. Specifically, the Receiver asserts that the nature of the silver market balanced against the market price of silver, the cost of storing and transporting the silver and the transactional cost of the sale of the silver dictate that now is the appropriate time to liquidate these holdings.

Therefore, the Receiver asks the Court for the authority to sell the silver holdings at his discretion. The Receiver has conducted significant due diligence to include consultations with experts in this field. For these reasons, the Receiver asks the Court to find that good cause has been shown with regard to the request to liquidate the silver holdings and grant the Receiver the authority to immediately liquidate the silver holdings in his possession.

Respectfully submitted,
